

HomeBot

- Generate listings and referrals
- Automate Inbound CMA Requests
- Post-Closing market trends reports of your property

ListReports

- Free to Realtors! Listreports automates the process of creating a marketing kit for Realtors every time they upload a listing to the MLS and delivers the kit to your email for easy access.
- The marketing kit includes a property website, property flyers, property reports, sign riders, social media content and some great informational infographics that highlight the key attributes of the neighborhood for all your listings.

Agent Mastermind

- Free to Realtors! Join us on Tuesdays for Free Online Strategy Classes!
- Our host will share the latest marketing strategies & will interview top agents around the country, sharing tips that will dramatically impact your business!

Convert My Leads Now - CRM

- Robust platform for Realtors who have leads they want to convert into deals.
- Landing Pages, Follow-Up Campaigns, Text Messaging, No-Ring Voicemail and so much more....

2023 Business Plan

- Want to Increase Your Business by 25%-50% in 2023?
- When it comes to real estate, business planning is one of those activities that agents either despise or don't know where to begin. It's been my experience that agents who set goals and execute those goals increase their business by 25%-50%!
